EDINBURGH PRAYER TIMETABLE

NOTE: As a precaution one may wish to add 10 minutes to Fajr, Maghribain and Zohrain times, and deduct 10 minutes from sunrise time.

The Messenger of Allah (SAWW) said: "The prayer is the standard of Islam. Whosoever loves prayers and observes their limits, timings and methods, is a true believer."

Du'a before namaz: *Surely I have turned myself, being upright, wholly to Him Who originated the heavens and the earth, and I am not of the polytheists [Al-An'am:79]*
